Franchise Standards at Independent Prices

2007(07) Ford Fiesta STYLE CLIMATE 16V 5-Door

£3,290

If you are interested in a car that you have seen on our website, we will happily bring it to your home for a viewing or test drive

We provide a fully contactless and sanitised delivery service

The Car Centre Protocol  
RE: COVID 19

All cars will have had the steering wheel, dashboard and gear level sanitised prior to test drive.

All cars, including those in the showroom, will be locked and will be sanitised after each viewing.

If you wish to view a car or have viewing please be assured that we will not be observed and understand that it is for your safety.

Our vehicles are cleaned regularly and hand wash is provided free of charge.

We have increased our insurance premium to cover what is required to ensure safety.

When we approve your car we will wear gloves and sanitise before and after.

All customer contact areas, including desks, will be cleaned prior to your arrival and after your departure.

After purchase, the car will go to a workshop for preparation and be re-sanitised ready for collection.

Home delivery can be provided subject to conditions.

If you do not wish to collect yourself to the office, we will happily collect it to the showroom or to your home.

If you check out an opportunity for your car, we will understand that you are the only person to see it.

We realise that there are difficult and unprecedented times and we ask that we work together to ensure that you are protected at The Car Centre and thank you.
